**注意事項 Notice:**

1. 專業選修課程與核心課程修習，碩士生至少12學分、博士生至少9學分、逕博生至少15學分。修習所屬學程專業選修課程以外之學分，需經指導教授及學位學程主任同意後，方承認其為本學院畢業學分。

Credits required on the assigned electives of a designated program and core competency courses are 12 credits for master's students, 9 credits for doctoral students, and 15 credits for direct PhD students. Course credits obtained with courses that are not included in the assigned electives of the students' programs will not be recognized as graduation credits of the Academy without his/her advisor's and director's approval finalized on this form.

2. 未列於本學程網頁之專業選修課程，須經指導教授同意，並簽屬「選修課程同意為畢業學分申請表」後，方得認列為專業選修，此類課程，指導教授同意認列之課程數以2門為限。

To count courses outside the program's electives (see curriculum webpage) as graduation requirements, the student must fill this application form and get the advisor's approval. The PICD allows up to 2 such courses for graduation requirements.

註：此表單完成簽章後正本請學生自行妥善留存，並於學位考試申請時提交學程佐證。

Remark: Students are responsible to keep the original copy of this form signed by the advisor and the program director, and submit it when applying for the degree examination.
