Program Staff	Program Director	Office of Academic and Student Affairs	Dean

Note:

1. Eligible applicants should complete this form and submit it to the program office before the semester starts. Those who want to apply for the Distinguished Students category, please express such a request to the Program Director, in addition to applying for standard criteria scholarship with this form. Any recommendation resulted needs to be approved by the Academy Affairs Council.
2. If you are a transfer student, please fill in the form according to the admission qualifications of the original department and attach relevant supporting documents.
3. Overseas students, or students from Hong Kong and Macau may identify themselves as students admitted through a screening examination without the rank info.
4. The scholarship approved for the pre-graduate study period will be awarded upon the students' admission and enrollment through a screening examination or a general entrance examination to a master's program of the Academy. The pre-graduate study period with

scholarship shall be calculated into the maximum duration of scholarship awards.

5. In order to get paid with the scholarship, new students please log in the system to fill in your personal information (<https://expsys.ncku.edu.tw/pif/index.php?auth>)
6. Scholarships for the first two months of the admission semester will be issued in the second month of the semester. For the following months, the scholarships are issued monthly.
7. For a period of one year. Upon the expiration, awardees may apply for a renewal in 3 weeks after the final exam ends for it to be handled by the program for further procedures to finalize your scholarship renewal. If the student changes his/her student status and becomes no longer a full-time student during the award period, the awardee must immediately notify the program in writing to discontinue the scholarship. For details, please refer to Article 11 of Enforcement Directions of Scholarship Awards for Distinguished Students of the NCKU Academy of Innovative Semiconductor and Sustainable Manufacturing.
8. If the applicants or awardees fail to meet the full-time student eligibility requirement, the Academy shall cease issuing scholarships in the following month of disqualification. Those who remained registered can retain their right to this scholarship. They may re-apply for the scholarship award if they resume their full-time student status afterward during the study period and meet the eligibility requirements.
9. For relevant directions, please refer to the announcement on the official website of the Academy. (https://ais2m.ncku.edu.tw/?action=regulations_list&aid=11)
